504 NOTIFICATION of PARENT and STUDENT RIGHTS

The Rehabilitation Act of 1973, commonly referred to as "Section 504," is a nondiscrimination statute enacted by the United States Congress. The purpose of the Act is to prohibit discrimination and to assure that disabled students have educational opportunities and benefits equal to those provided to nondisabled students.

An eligible student under Section 504 is a student who (a) has, (b) has a record of having, or (c) is regarded as having, a physical or mental impairment which substantially limits a major life activity such as learning, self-care, walking, seeing, hearing, speaking, breathing, working, and performing manual tasks. In December 2008 additional activities were added which include: reading, thinking, concentrating, sleeping, bowel/bladder functions, eating and other major life activities.

ELIGIBILITY: Some students will be eligible for educational services under the Individuals with Disabilities Education Act (IDEA). Parents and/or students seeking services under the IDEA are referred to the district’s special education department and its director. It is the purpose of this notice form to set out the rights assured by Section 504 to those disabled students who do not qualify under the IDEA. The enabling regulations for Section 504 as set out in 34 Code of Federal Regulations (CFR) Part 104 provided parents and/or students with the following rights:
