Hudson River Cruise ~ Washington's Headquarters ~ Peak Fall Foliage Time ~ Saturday, October 8, 2016

Join us for the day when we visit the historic Hudson Valley at Fall Foliage Time. No river in America offers more historic sites that pertain to the founding of our nation than the Hudson River. Our first stop is at George Washington's Headquarters in Newburgh, NY. Here we tour our nation's first publicly owned historic site and tour the rooms where American history was made. In addition to a tour of this historic site we are treated to a special program: From Petticoats to Breeches that explores a variety of clothing to see how style was defined in the 18th century. Next, step aboard the Pride of the Hudson for a two-hour boat cruise from Newburgh, NY. Our scenic cruise is further enhanced as our captain will present a narration of the sights along the river including Mt. Beacon, Bannerman Island, Storm King Mountain, Breakneck Mountain, The Catskill Aqueduct, World's End, Cold Spring, and West Point. A deli buffet is included aboard the cruise. #2884 ~ \$145.00

Afternoon Matinee Show of Shear Madness in NYC ~ Saturday, November 19, 2016

The off Broadway play Shear Madness is often referred to as America's favorite "Whodunit" comedy. It's been voted "Best Comedy of the Year" eight times in Boston and "Best Play of the Year" in both Chicago and Philadelphia. It's even listed in the Guinness Book of World Records as the longest-running play in the history of the USA. Now, at long last, Shear Madness has made its long-awaited, first-ever arrival in New York. The madness erupts at your not-so-typical New York hair salon, when suddenly the old lady upstairs gets mysteriously murdered and everyone's dying to know, "Whodunit?" The audience combs through the clues, questioning the suspects like a bona fide "Sherlock Holmes." And the best part? It's different every time you see it! A delightful sit-down lunch is included in a nearby Italian Restaurant prior to the show. #2897 ~ \$175.00

Departs South Plainfield High School at the end of Lane Avenue at 10:15 AM and returns at approximately 6.15 PM.

A full refund will be given on any cancellation that occurs prior to October 12, 2016. No refund will be allowed on a cancellation that occurs after October 12, 2016.

Get set for the ultimate one day Christmas tour, as we experience two exceptionally unique and diverse live performances in the intimacy of historic surroundings. We begin our day with an included, lunch buffet in a waterfront restaurant that sits beside the Hudson River. From here, we travel to the nearby Lyndhurst Mansion for “Mr. Dickens Tells a Christmas Carol.” Here, we witness a theatrical performance of this classic tale that brings to life the many challenges that face Ebenezer Scrooge, Bob Cratchit and Tiny Tim, in an historic period setting. Next we visit the nearby Christ Episcopal Church (1837) in Tarrytown, N.Y. Here we experience the tale of “A Christmas Carol” and Ebenezer Scrooge in a totally different way. Our setting, surroundings and actor are completely different. In the comfort of this historic church, master storyteller Jonathan Kruk, complete with musical accompaniment, regales us with his adaptation of this Charles Dickens classic. **#2899 ~ \$190.00 per person**

In parts of Guatemala, Mayan culture still prevails. Weavers spin their brilliantly-colored stories on backstrap looms, while monolithic stone temples stand in silent testament to ancient rituals and wisdom. While cruising the Panama Canal, we view the result of human labor on a grand scale. When it was created, Gatún Lake was the largest human-made lake in the world. In Corinto, Nicaragua, we visit a new and wild tourism destination that contains a string of impressive volcanic peaks. It's hard to go far in Costa Rica without finding a national park. The city of Puerto Caldera, on Costa Rica's Pacific coast, has a number of them within easy reach of a day trip off our cruise ship. These are only a few of the many highlights on this cruise/tour. This tour offers a unique blend of included attractions along with free time to explore these cities at our own pace. Spring will be in full swing and the bright colors of the flowering plants and trees will astound us. We visit magnificent plantations, exceptional gardens, outstanding homes and many other attractions. The market area of Charleston, in the center of the city, is where the festive carnival-like atmosphere generates its energy. Savannah is one of the largest southern cities that was spared destruction during the Civil War; therefore, it contains hundreds of antebellum and Victorian-style homes. In Charleston we stand on the site where the first shot in the Civil War was fired. We visit the 24,000 square foot Calhoun Mansion that is widely acclaimed as the city's most elegant mansion and was featured in the mini-series North and South. We also enjoy carriage rides and riding tours in both cities. A drive on Hilton Head Island is like a visit to a park and an included lunch and time to browse in Harbor Town is another added bonus.
