

WORLD'S TOUGHEST MUDDER PROJECT FOR WOUNDED WARRIORS

South Plainfield Middle School PTO

Fundraiser - December 2011

The South Plainfield Middle School PTO will host a fundraiser honoring our South Plainfield Police **Dare Officer Lloyd McNelly**, who will be participating in the WORLD'S TOUGHEST MUDDER PROJECT. Officer McNelly participated in the TOUGH MUDDER in October, 2011. **The World's Toughest Mudder consists of a** grueling twenty-four hour course involving laps, swimming through icy waters, diving through mud, top shape conditioning maneuvers and all to support our wounded warriors (military forces) injured while enlisted.

The South Plainfield Middle School PTO is requesting any monetary donation, per mile, which will benefit the wounded warriors. Please send in your pledges by December 16, 2011, in an envelope marked World's Toughest Mudder, made payable to the South Plainfield Middle School PTO, which will then be donated to the Wounded Warriors Project.

The WORLD'S TOUGHEST MUDDER SERIES FINALE will take place December 17 - 18, 2011, at Raceway Park in Englishtown, New Jersey.

Please help join us with this heartfelt endeavor on behalf of Officer McNelly and The Middle School PTO. For any further questions please do not hesitate to contact PTO President Debbie Boyle at 908-803-1573. All checks are subject to a \$25.00 return check fee. Do not collect door -to- door.

South Plainfield Middle School PTO President - Debbie Boyle
South Plainfield Middle School PTO Vice President - Nicole Plate
South Plainfield Middle School PTO Treasurer - Eileen Brady
South Plainfield Middle School PTO Public Relations - Suzanne Butrico-Jane Dornick
